Re: *Water bank applications for Mitchell Sorensen*

Dear Monica:

Please find enclosed for processing two pairs of water bank applications for Mitchell Sorensen. These applications should be processed together, as both involve a lease of water from and to Mitchell Sorensen. The purpose of these applications is to add an additional point of diversion to two of Mr. Sorensen's water rights enabling him to divert his full water right while he performs necessary repairs to existing wells.

If you have any questions regarding these applications, please do not hesitate to contact me.

Best Regards,

Luke H. Marchant
