SUBJECT: Notch Butte Farms Water Supply Bank Rental Application

SUMMARY

On May 31, 2011, I sent a letter to Greg Sullivan of Brockway Engineering P.L.L.C. requesting a map showing the lands that will be retired and the lands that will continue to be irrigated for the property associated with Water Supply Bank leases 37-2532A, 37-2804A and 37-20840. Mr. Sullivan was given until June 14, 2011 to supply the information. Mr. Sullivan has not submitted the information. I recommend that these applications be returned unprocessed until a suitable map has been supplied.
