RE: APPLICATION TO LEASE WATER RIGHT NO. 2-10371 TO THE WATER SUPPLY BANK

Dear Lessor:

The Department of Water Resources ("Department") has completed its review of your application to lease the above-mentioned water right number to the Water Supply Bank ("Bank"). The offered water right is accepted into the Bank in accordance with the attached Water Supply Bank Lease Acceptance. If you do not agree with the conditions of the Lease Acceptance and would like to withdraw your water right from the Bank, you must contact the Department within thirty (30) days of receipt of this notification.

The right(s) will automatically be released from the bank on **December 31, 2013**, unless the right(s) are released earlier by the Board, or upon request by the lessor. To change the term of the lease or to release the right(s) from the Bank, you must submit a request in writing to the Department prior to the release date.

Additionally, the application was signed by Michael Whipple and included power of attorney for him to sign the application on behalf of Billie Daniels. Further review indicated the owners of record for the water right were Michael and Samantha Whipple. I spoke with Michael on June 13 and emailed him a change of ownership for Billie Daniels. Until the change of ownership is received and processed, the lease will be in the name of Samantha and Michael Whipple.

Please review the conditions of acceptance listed on the Lease Acceptance and contact me if you have any questions at (208) 287-4907.

Sincerely,

Monica Van Bussum
Sr. Water Resource Agent
