RE: Change in Ownership Water Right No. 73-11840, 73-32 & 73-10020B

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

- **** **Filing Fee** of \$25 per water right
- **** **Filing Fee** of \$100 per water right for changes resulting from division of a water right
- **** **Signature** (Signed application for ownership change received via email before it was mailed to the department).
- **** **Evidence of Water Right Ownership:** copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question

This is a follow up letter to a deficiency letter that was mailed on June 4, 2010 and email dated November 15, 2010 after correspondence with the attorney for this application Jim Speck the original application was returned and an email with a new application was received however the application did not have signatures and the department is still awaiting the other information required. Please find attached both deficiency letters with a detailed description of what the department had requested. Please return the requested items at your earliest convenience.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department within 120 days. Failure to report these changes could result in a \$100.00 late filing fee. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
