

## RECOMMENDATION OF WATERMASTER

Application No: 37-22596  
Water Right No:  
Applicant Name: Calkins

### Watermaster's Recommendation:

- a) ☐ I do not oppose approval of this application
- b) ☒ I do not oppose approval of this application if it is conditioned as follows:

Domestic use when combined with 37-21384 is for three homes including no more than ½ acre irrigation associated with each established residence.

Diversions authorized under this right, when combined with right no. 37-21384 shall not exceed 0.12 cfs and 13,000 gallons per day per home.

Include mitigation condition (139).

Do not include condition 067.

- c) ☐ I oppose approval of this application(s) for the following reasons:
- d) ☐ Additional comment:

Applicant owns 2 of 3 lots within the platted area. The well is on the third lot under separate ownership. Owner of that lot has given permission for this application to be filed benefiting all lots. At this time no well use agreement or homeowners association documents have been submitted. Evidence of mitigation participation has been provided. Measurement requirements may be waived. The alternate measurement condition ("after specific notification") may be used.
