RE: Change in Ownership Water Right No. 29-11545

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership**-A full chain of Title from Herman Lish to Lynda Burrup.

**** **Map of the Property Purchased**

In order for the department to complete your request a full chain of title back to the owner recorded with the department is required, the current owners the department shows of record is Herman Lish. The department acknowledges receipt of A Quitclaim Deed from Martha Gathe to Helen Nelson, then a Warranty Deed from Helena Nelson to Herman and Doris Lish, then a deed from Russell and Judy Campbell to Lynda Burrup. There is no documentation between Lish and Campbell. Please provide the department with the deeds between those transactions. Also along with a full chain please provide a map indicating the property purchased.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
