RE: Change in Ownership for Water Right Permit 01-07010B

Dear Mr. Webb:

The Department of Water Resources acknowledges receipt of your correspondence regarding a change in ownership of Permit 01-07010. Please note that the portion of this permit currently in the name of Bypass Limited has been renumbered and now includes the suffix letter "B".

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

  X   **Filing Fee** of \$25 per water right permit

Because this water right is still in the permit stage, an **Assignment of Permit** will be required to complete the ownership change. Enclosed is an assignment form for your use. Please note that there is a \$25 filing fee required.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter, please call me at 208-327-7941.

Sincerely,

Kari Lynn Townsend  
Secretary
