**RE: LEASE OF WATER RIGHT NO. 22-13729 TO THE WATER SUPPLY BANK; WATER
RIGHT NOS. 22-13727 AND 22-13729**

Dear Applicant:

In our April 14, 2011, letter to you, we informed you that your water right had previously been accepted into the Water Supply Bank, but there were issues with retaining it any longer. In particular, 22-13729 is considered a base right and was stacked with 22-13731 and 22-13727 and rental of the right would result in enlargement.

In our previous letter, we requested return correspondence by May 16, 2011, or we would automatically release 22-13729 from the Bank. We received no further response from you and we are releasing 22-13729 from the Bank effective May 16.

Please consider that the five (5) year period of nonuse related to forfeiture of a water right shall begin to accrue upon release of the right from the bank or shall continue to accrue if a period of nonuse occurred prior to the lease date of the right to the bank. If you are concerned about forfeiture, you might consider filing an Application for Extension of Time to Prevent Forfeiture. You can find the form on our website, www.idwr.idaho.gov. Please contact me at (208) 287-4907 if you have any questions.

Sincerely,

Monica Van Bussum
Sr. Water Resource Agent
