The As-built is stamped with the PE's stamp and signed on 1-5-2009. DEQ received it in our office on 1-6-2009.

Thank you Holly.
Sorry to ask but do you happen to know the date of that As-Build drawing?

Thanks,

Craig,

After speaking with Tom Moore, P.E., and reviewing the As-Build drawings, Eagle Pointe has 25 connections in their subdivision. If you need any additional information, please do not hesitate to call.
