RE: Change of Ownership for Water Right 45-2445

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water right to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

During our review of water right no: 45-10094, we notice that additional information is required before we can process the change. The Warranty Deed submitted indicated ownership for T11S, R19E, SEC 22, SW1/4. We need documentation showing that you own property located in T11S, R19E, SEC 23, SE1/4SW1/4. We have enclosed computerized reports indicating the location of the above water right.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact me at 208-287-4962 if you have any questions regarding this matter.

Sincerely,

Brian Cox
