Re: Water Right # 37-22118

Dear New Owners,

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership for the above water right. During our review we noticed you submitted a Deed of Trust for your conveyance document. A Deed of Trust or a mortgage is not conveyance documents. They are used to protect the interests of a lender in real property transactions. The conveyance document needs to be one of the following: a warranty deed, a quitclaim deed, a court decree, a contract of sale, etc. Because the Department cannot process the ownership change proper documentation we will return your notice, all attachments and your check #6511 for \$100.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that the filing fee for your notice will be \$100.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage on the Internet to obtain the proper forms and instructions.

Please feel free to resubmit the application with proper documentation and fees. Contact this office if you have any questions. We will be glad to help. (208) 736-3033

Sincerely,
