WATER RIGHT NO. 24-10700
As Modified by Transfer No. 77234

CONDITIONS OF APPROVAL

1. Right 24-10700 authorizes the diversion of an annual total of 5.6 acre-feet to be used for the initial filling of the pond and for the replacement of losses caused by evaporation from the pond and for replacement of losses caused by transpiration from riparian vegetation.
2. The pond established by the storage of water under this right shall not exceed a total capacity of 4.6 acre-feet or a total surface area of 0.7 acres.
3. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 01.
4. The right holder shall maintain a measuring device and lockable controlling works of a type approved by the Department in a manner that will provide the watermaster suitable control of the diversion(s).
5. This right when combined with all other rights shall provide no more than 0.02 cfs per acre nor more than 3.5 afa per acre at the field headgate for irrigation of the lands above.
6. The right holder shall install and maintain an impermeable liner in the pond to eliminate seepage losses.
7. Water shall not be diverted from fire protection storage except to fight or repel an existing fire.
8. The diversion and use of water under Transfer 75471 may also be subject to a separate agreement between the right holder and the Idaho Department of Fish and Game.
9. The right holder shall accomplish the change authorized by this transfer within one year of the date of this approval.
10. Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.
11. Pursuant to Section 42-1412(6), Idaho Code, this water right is subject to such general provisions necessary for the definition of the rights or for the efficient administration of water rights as may be determined by the Snake River Basin Adjudication court at a point in time no later than the entry of the final unified decree.

This water right is subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.
