Dear Interested Parties:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change on the water rights listed above. The information required is indicated below:

 X **Evidence of Water Right Ownership:** copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question

On May 9, 2011, the Department did receive the 1st page of your Warranty Deed. Unfortunately, a Warranty Deed is not acceptable without the recorded signature page.

Because the Department cannot process the ownership change without the proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days from the date of this letter, we will return your notice and your notice will not be processed.

If you have any questions please feel free to contact me at 208-287-4945.

Sincerely,

Darla Block
