RE: Notice of Change in Water Right Ownership for Water Right Nos. 45-2250B, 45-2496, 45-2647, 45-4100, 45-13571, 45-13760, 45-13762, and 45-13764

Dear Interested Party:

On September 9, 2008, the Department received a Notice of Change in Water Right Ownership from you for the above listed water rights. On March 9, 2009, the Department sent you a letter which noted discrepancies and requested additional information or the fee required for the division of the water rights. On June 23, 2009, a second Notice of Change in Water Right Ownership was submitted with a deed that covered a portion of the water rights.

The warranty deeds recorded as instrument nos. 2008-005031 and 2009-003093 cover all of the place of use for each water right **except** for 12 acres in the NWSW, 12 acres in the NESW, 4 acres in the SWSW and 39 acres in SESW of Section 22, Township 13S, Range 22E. Tax lot data as of February 3, 2010, indicates that this parcel (RP13S22E225201) is owned by Jerry S. Stanger.

To complete the change in water right ownership, the department will need a deed which covers the excepted portion listed above or \$600 to split the water rights. Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 15 days we will return your notice and all attachments and your notice will not be processed.

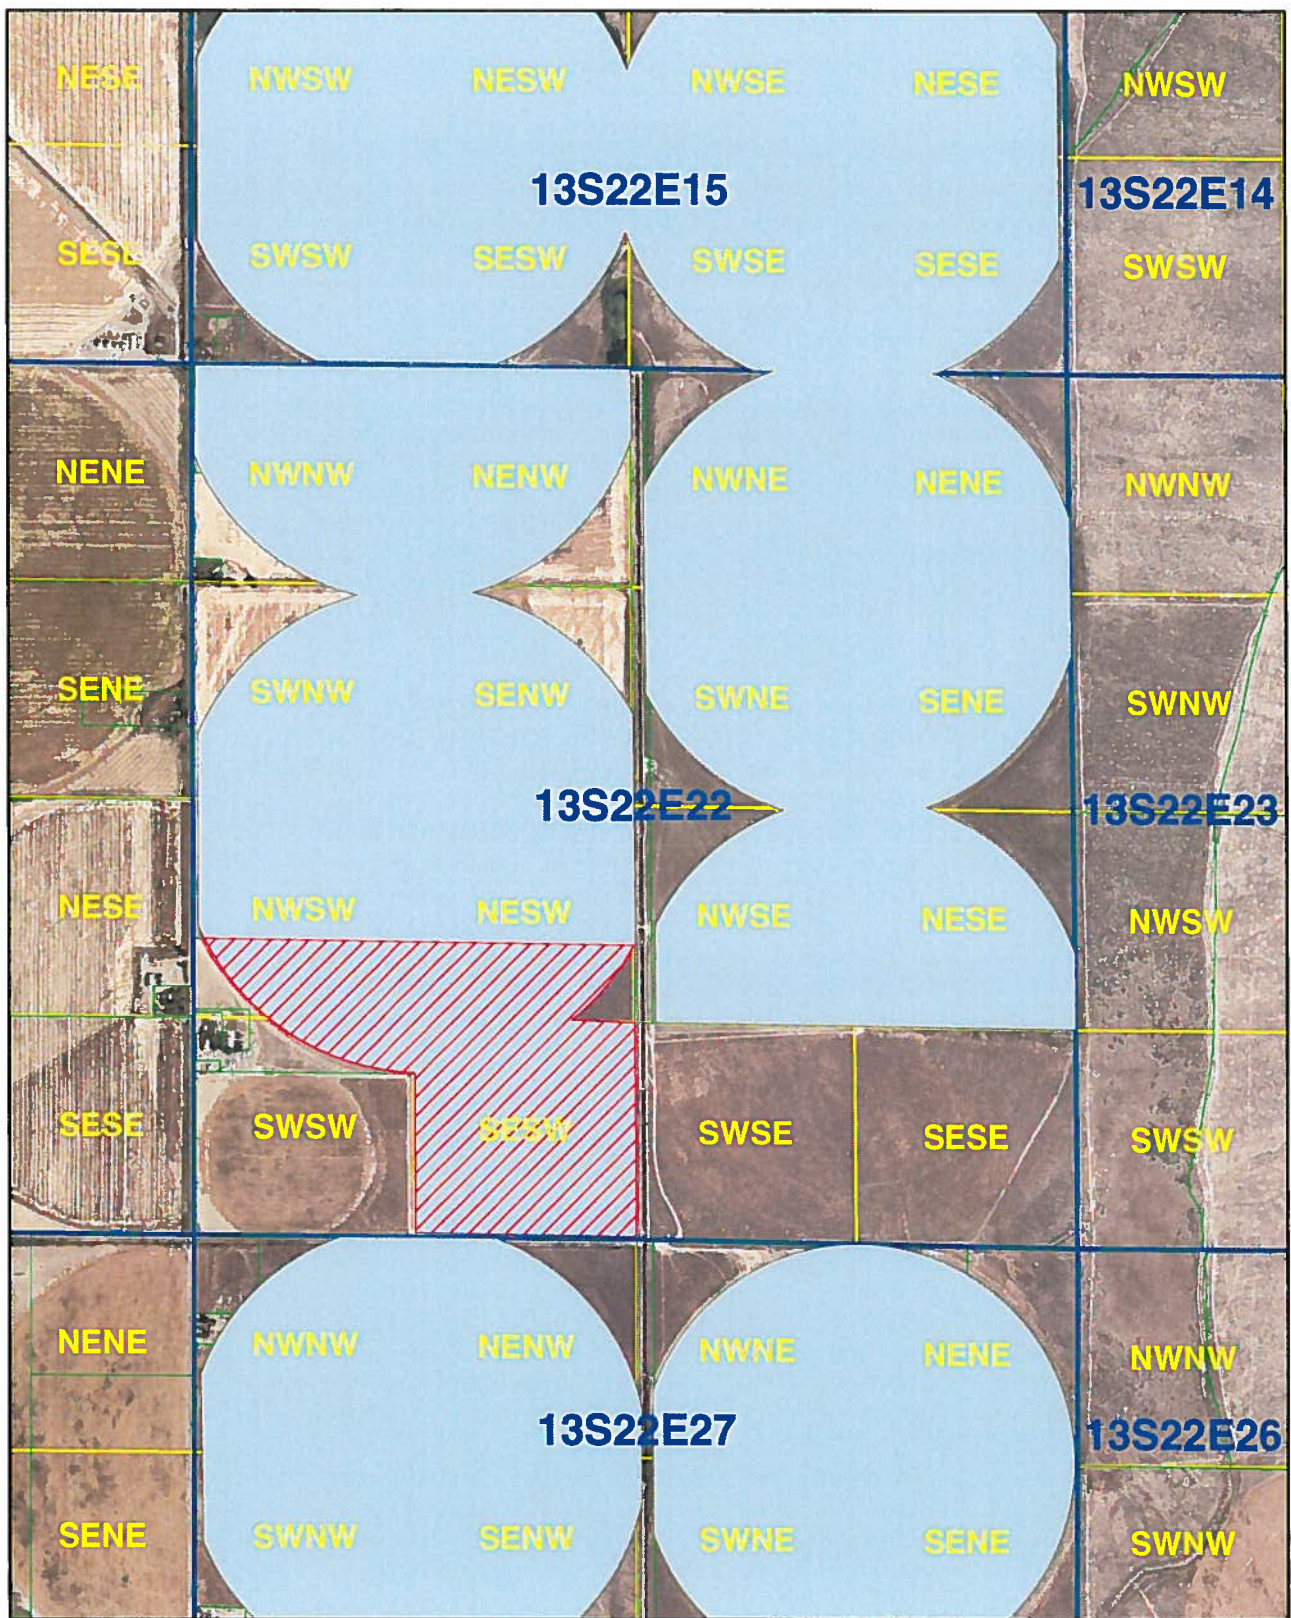

Please feel free to call me at 208-287-4952 if you have any questions.

Sincerely,

Emalee Rushing
Office Services Supervisor
