Re: Water bank lease application / H. Rinker
Project No. 128-32-2004

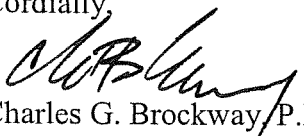

Dear Aaron:

Enclosed please find two applications in the name of Harry Rinker to lease water rights to the water supply bank. The water rights being offered include 2.0 acres of three overlapping surface rights 37-20417, 37-20421, and 37-20425. A second application pertains to 2.0 acres of groundwater right 37-21268, which is overlapping with the surface water rights.

Please note that an ownership change form has been filed with the southern region to split off the 2.0-acre portion of the surface rights and change the name to Harry Rinker. This process, which will define new numbers for the split rights, is not completed and so I have listed the original numbers rather than the new numbers on Part A.1. The groundwater right is currently in the name of Mr. Rinker.

If any questions arise in the processing of these applications, please do not hesitate to contact me.

Cordially,

Charles G. Brockway, P.E.
