RE: Water Right Permit No. 36-08723

Dear Mr. Morris:

A recent review of pending licensing exams in our office revealed that you have an unresolved licensing amendment for permit 36-8723 filed with our Department. As indicated in previous correspondence, the Department is waiting for the \$50.00 processing fee for the licensing Amendment.

The Department will hold processing of your application for Amendment for 14 days to allow for the submittal of the necessary \$50.00 fee to process license application 36-8723. Unfortunately, after that time the Department may take action to void the permit.

Please feel free to contact me if you have any questions or need further assistance at 208-736-3033.

Sincerely,

A handwritten signature in cursive script that reads "Jana Reeder".
