ACTION OF THE DEPARTMENT OF WATER RESOURCES

I, GARY SPACKMAN, of the Department of Water Resources hereby approve the
above Application for Amendment for Permit No. 36-08723 with the following:

CONDITIONS OF APPROVAL

1. The source of this water right is waste water. The right remains subject to the right of the original appropriator, in good faith and in compliance with state laws governing changes in use and/or expansion of water rights, to cease wasting water, to change the place or manner of wasting it, or to recapture it. This water right is subject to the future use and distribution of waste water by the Northside Canal Company Ltd., Inc. for use on its shareholder lands.
2. This right when combined with all other rights shall provide no more than 0.02 cfs per acre.
3. Rights 36-134D, 36-135D, 36-10141A and 36-8723 when combined shall not exceed a total diversion rate of 3.98 cfs and the irrigation of 143 acres.
4. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 130.
5. The right holder shall maintain a measuring device and lockable controlling works of a type approved by the Department in a manner that will provide the watermaster suitable control of the diversion.
6. The issuance of this right does not grant any right-of-way or easement across the land of another.
7. This right is for the use of trust water and is subject to review 20 years after the issuance of the permit to determine availability of water and to re-evaluate the public interest.

Witness my hand this 11th day of May, 2011.

FOR

GARY SPACKMAN
Interim Director
