Re: Water Right # 36-11584

Dear Owner,

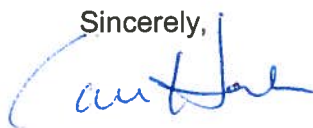

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership for the above water right. During our review of the documentation you submitted we found some discrepancies between that documentation and the legal description of the place of use where Land View Fertilizer retained parts of the place of use for the water right indicated in your notice. I have enclosed a copy of the water right for your reference, also a map indicating the original and purchased parts of the right.

Because the Department cannot process the ownership change without an indication of how the right is to be split and the proper fee we will return your notice, all attachments and Land Title and Escrow Inc check #24885 for \$50.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that the filing fee for your notice will be \$100.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage on the Internet to obtain the proper forms and instructions.

Please feel free to resubmit the application with proper information and fees. Contact this office if you have any questions. We will be glad to help. (208) 0736-3033

Sincerely,  

Carrie Hahn
