RE: WATER SUPPLY BANK LEASE APPLICATIONS FOR WATER RIGHT NOS. 36-2417, 36-7002A and 36-15984

Dear Applicant:

On November 12, 2009, the Idaho Department of Water Resources (Department) received your application to lease portions of the above-mentioned water rights to the Water Supply Bank (Bank) for an indefinite period. On April 12, 2011, Dan Nelson of the Department sent a letter requesting a map showing the acres proposed to be leased to the Bank. As of this date, we have received no return correspondence from you.

Additionally, the Water Supply Bank Rules (also known as IDAPA 37.02.03) provide criteria to be considered when determining whether to accept a water right into the Bank. We requested the additional information so we could ensure conformance with the Bank Rules. As of this date, we have received no return correspondence. Therefore, we are returning your applications unprocessed.

If you would still like to offer these rights for lease to the Bank, please submit new lease applications. Application forms and information about the Water Supply Bank are available from the Department's web site at: www.idwr.idaho.gov. Please contact me at (208) 287-4907 if you have any questions.

Sincerely,

Monica Van Bussum
Sr. Water Resource Agent
