Re: Heart Rock Ranch LLC- Additional Fee for Permit 37-22459

Dear Allen:

Per your request, enclosed is a check for \$40.00 US dollars that was inadvertently omitted when water right permit 37-22459 was amended to increase the flow rate to 76.36 cfs on January 19th 2010. Please apply the attached amount towards the increase in flow rate for permit 37-22459. Because the flow rate described above has not been amended since last year and will not be, no additional fee for permit 37-22459 is anticipated.

Please copy our office on all correspondence dealing with water right permit application 37-22459 and all 11 associated water right transfer applications in the name of Heart Rock Ranch LLC. Please call our office with additional questions or comments.

Regards,

Zach Latham, M.S., Hydrologist
