RE: Change of Ownership for Water Right 63-32399

Dear Water Right Holder:

The department acknowledges receipt of correspondence changing ownership of the above referenced water right to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

Please note, water right 63-32399 was leased to the Water Supply Bank (bank) on May 2, 2011. In accordance with the bank lease acceptance, the lessor/current right holder (right holder) may not use the right while it is in the bank, even if the right is not rented from the bank. The right will remain in the bank until December 31, 2014, unless released earlier by the Water Resource Board or upon request by the right holder. To reduce the term of the lease, the right holder must submit a written request to the department. The department will verify if the right is rented or available for release, and notify the right holder of the release date.

Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Emalee Rushing
Office Services Supervisor
