**RE: APPLICATIONS TO LEASE WATER TO THE WATER SUPPLY BANK
WATER RIGHT NOS. 34-14047 (prev. 34-13871) AND 34-13873**

Dear Mr. Reading:

The Idaho Department of Water Resources (Department) acknowledges receipt of your application(s) to lease the above referenced water right(s) to the Idaho Water Resource Board's Water Supply Bank (Bank). The Department will review your application(s) as resources allow. To track the status of a lease application, you may use the Water Supply Bank Lease Search tool available on the Department's web site at:

<http://www.idwr.idaho.gov/apps/ExtSearch/WSBSearch/WSBSearch.aspx>

Please note that a water right is not protected from forfeiture unless it is accepted into the Bank or unless an exception or defense to forfeiture applies as described under Idaho Code § 42-223. If forfeiture is a concern, you may also consider filing an Application for Extension of Time to Avoid Forfeiture of a Water Right. This and other water right forms are available on the Department's web site at:

http://www.idwr.idaho.gov/water/rights/water_rights_forms.htm

Based on your recent telephone request to amend the proposed lease period, the Department is returning your applications for you to make the necessary changes. Please make the changes by neatly striking and initialing the original statements and printing the new information. Upon completion return the original applications to my attention at the above letterhead address.

If you have any questions, please contact me at (208) 287-4943.

Sincerely,

Aaron Marshall
Water Allocation Bureau
