Subject: Discussion with John Westra re: Hillsdale/Willowbrook

Rich:

As I just explained in our phone call, this afternoon, John Westra returned our phone call of earlier today – while he was on the phone, I attempted to contact you for a conference call but was unable to reach you. When I explained to Mr. Westra that you desired the place of use analysis be reworked to be more thorough, and that we were consequently asking him for some additional time, he suggested that we should simply contact him with the work we have completed by June 1.

Thanks for your return call.

Charlie
