Mr. Jordan

I am requesting the water rights for my property. I had water to my property when I purchased it from Mr. Booker. After a verbal disagreement with John Booker, the previous land owner, he severed the line where it went under the Salmon River Road. The water line is still in place from Booker's Retreat and Mr. Rufe is willing to let me use the existing line to irrigate my property. The waterline and diversion point from Garden Creek has existed for years so it will not be a new diversion.

I have included a letter from Dan Rufe, owner of Booker's Retreat.

If you have further questions please call me.

Sincerely

Grant D. Duncan
