Greg,

Thanks for getting back to me. Should I treat this as a request for additional time beyond what is now the January 20, 2011, deadline or is the plan to submit something before then?

Nick,

I thought that I would let you know that we are working on a letter addressing your concerns relating to transfer 73717. We need to meet with the previous owner (Loughmiller) and the new owner (Reitsma) to make sure everyone involved is aware and OK with the proposed actions.
