RE: Water Right Permit 67-14495

Dear Permit Holder(s):

I previously forwarded you an Application for Amendment so you could amend your permit to depict your water right as it has actually been developed and a Notice of Change in Ownership form for your use. To date, I have not received the amendment or the change in ownership form. If I do not receive the amendment within **14 days**, I will issue your license for what I can without the amendment. This means that your license will be issued without the SW $\frac{1}{4}$ NW $\frac{1}{4}$ of 9N, 5W, Sec. 11 and you will have to secure a different water right for the above-mentioned lands.

Please note that there is a **\$50.00** filing fee for this amendment and a **\$25** filing fee for a change in ownership. A copy of the Application for Amendment and Notice of Change in Ownership are enclosed for your convenience.

If you have any questions regarding this matter, please call me at 208/287-4944.

Sincerely,

Cherie Padilla, Sr. Water Resource Agent
Water Allocation Bureau
