RE: Application for Transfer of Water Right No. 91-7132

Dear Applicant:

The Department's office in Coeur d' Alene passed your application to me for processing. I have reviewed the application and found a discrepancy regarding the location of the new well to be added, or third well for the water delivery system. The legal description given on page 1 designates the new well to be in the SENE of **Section 9** T46N R2W; the map submitted appears to place the new well in the SENE of **Section 8** T46N R2W. I've enclosed copies of both page 1 and the map. A written confirmation of which location is correct is needed to move forward with processing. Feel free to contact me if you have any questions at (208) 287-4949 or nick.vandyke@idwr.idaho.gov

Sincerely,

Nicholas Van Dyke
Sr. Water Resource Agent
