RE: Notice of Change in Water Right Ownership

Dear Water Right Holder:

The Department of Water Resources is in receipt of your change in water right ownership for water right nos. 78-4113, 78-4136, 78-4314, 78-7114, and 78-7263A. Water rights 78-4113, 78-4136, 78-4314, 78-7114 have been divided with your portions being numbered 78-12392, 78-12393, 78-12394, and 78-12395. I have enclosed water right reports for each water right.

The ownership change was not processed for 78-7263A as it is in the permit stage and the personal property of Brundage Water Users Assn., Inc. There is another water right associated with your property (78-10110), and I have enclosed a copy of the partial decree for your convenience. If you would like, I can change the water right listed from 78-7263A to 78-10110. This ownership change would not require a split as it is a domestic use right for 1 home, therefore a refund of \$75 would be mailed to Campbell Trinity C Ranch. Please let me know how you would like to proceed within 30 days.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Each water right has a specified point of diversion, nature of use and place of use. If you plan on changing any of these, including adding a new point of diversion, then an Application for Transfer on your portion of this right is required. If you do not plan on changing any items on your water right, then no further action is required at this time.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Emalee Rushing
Office Services Supervisor
