**RE: WATER SUPPLY BANK LEASE APPLICATION(S)
WATER RIGHT NO(S). 36-2628A**

Dear Applicant:

On August 25, 2008, Idaho Department of Water Resources (Department) received your application to lease a portion of water right no. 36-2628A to the Water Supply Bank (Bank) for an indefinite period. Your application sought to place 45 acres of pivot corners into the Bank from Township 7 South, Range 24 East, Section 26, in the NE and NW quarters.

A check of the partial decree for this water right, issued in December 2001, indicates the water right is for Section 36 in the SW and SE quarters. The Department must deny your application because the acreage offered to the Bank does not match that of the water right.

If you would still like to offer this right(s) for lease to the Bank, please submit a new lease application. Application forms and information about the Water Supply Bank are available from the Department's web site at: www.idwr.idaho.gov. Please contact me at (208) 287-4907 if you have any questions.

Sincerely,

Monica Van Bussum
Sr. Water Resource Agent
