RE: Change of Ownership for Water Right Permit 67-7141

Dear Permit Holder:

The Department of Water Resources acknowledges receipt of the assignment of permit for the above referenced water right permit. The department has modified its records to reflect that Northwest Farm Credit Services, FLCA no longer has an interest in this permit. I have s enclosed a computer-generated report for your records.

Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

A handwritten signature in cursive script that reads "Emalee Rushing".
