RE: Change of Ownership for Water Right No: 15-00002, 15-02062, 15-07209

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water rights to you. The department has modified its records to reflect the change in ownership and has enclosed computer-generated reports for your records.

During our review of the documentation you submitted we found some discrepancies between that documentation and the legal description of the place of use for the water right no: 15-07210 indicated in your notice. I have enclosed a copy of the water right for your reference. Therefore, we have not changed the ownership to this water right.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Brian Cox

Shelley W. Keen,
Section Manager
