RE: Water Right Permit 67-7141

To Whom It May Concern:

The Department of Water Resources is in receipt of your letter which states that you no longer have a security interest in permit 67-7141. The Department's records reflect that you submitted an assignment of permit and are listed as a permit holder. This permit is considered the personal property of John Erskine Filed, Mary D. Field, and Northwest Farm Credit Services, FLCA.

To change the ownership, you would need to submit an assignment of permit which assigns Northwest Farm Credit Services' interest in the permit to John Erskine Field and Mary D. Field. I have enclosed the assignment form for you convenience. Please submit the assignment form along with the \$25 fee, and we will update the ownership.

If you have any questions, you may reach me at 208-287-4952.

Sincerely,

A handwritten signature in cursive script, appearing to read "Emalee Rushing".
