Dear Mr. McDonald:

We need your Agency Comment for the above referenced applications. Due to the recent state department budget concerns, it seems appropriate to suggest that you review the specific details for these applications via our website at the following address:

www.idwr.idaho.gov/apps/ExtSearch/WRFiling.asp

Please respond within 21 days of the date of this letter. Regional review of un-protested applications can be completed as soon as the final protest period is past; your prompt response to this request is appreciated so that your comment can be considered during regional review.

If after 21 days from the date of this letter the department has not received your written comment, the department will presume you do not oppose approval of the application and you have no comments for the department to consider.

If you have any questions about an application, please contact this office or the applicant.

Very truly yours,

Mary A. Baldwin
