RE: Notice of Change in Water Right Ownership

Dear Water Right Holders:

The Department of Water Resources is in receipt of your change in water right ownership for water right no. 98-4075. Water right 98-4075 has been divided into four parts and are numbered as Allen & Denna Riffel – 98-7901, Dawson & Candace Carriere – 98-7902, Michael & Kathleen Matthews – 98-7905, and William A. McGinnis – 98-4075 (remaining portion for which no ownership change has been received). I have enclosed a water right report for each water right.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Emalee Rushing
Office Services Supervisor
