RE: APPLICATION TO LEASE WATER RIGHT NO. 37-21739 TO THE WATER SUPPLY BANK

Dear Applicant:

The Idaho Department of Water Resources (Department) acknowledges receipt of your application(s) to lease the above referenced water right(s) to the Idaho Water Resource Board's Water Supply Bank (Bank). The Department will review your application(s) as resources allow. To track the status of a lease application, you may use the Water Supply Bank Lease Search tool available on the Department's web site at:

<http://www.idwr.idaho.gov/apps/ExtSearch/WSBSearch/WSBSearch.aspx>

Please note that a water right is not protected from forfeiture unless it is accepted into the Bank or unless an exception or defense to forfeiture applies as described under Idaho Code § 42-223. If forfeiture is a concern, you may also consider filing an Application for Extension of Time to Avoid Forfeiture of a Water Right. This and other water right forms are available on the Department's web site at:

http://www.idwr.idaho.gov/water/rights/water_rights_forms.htm

A preliminary review indicates that both Adele S. Savaria and Patrick J. Savaria are listed as owners of the water right offered to the Bank. In order for this right to be considered for acceptance into the Bank, both owners must sign the lease application. Please return the application with signature from Adele S. Savaria for further consideration.

Please note that staff resources are being directed primarily towards processing water right transfer applications. The Department will review your application(s) as time allows. If the application(s) is not processed prior to the end of the lease period, it will be returned to the applicant. The Department regrets any inconvenience caused by the delay. Additional information about the Bank may be found on the Department's web site at:

http://www.idwr.idaho.gov/water/rights/water_supply/ws_default.htm

Please contact me if you have any questions.

Sincerely,

Aaron Marshall
Sr. Water Resource Agent
