RE: Water Right Permit No. 63-32659 & 63-33333 – Jerry L. & Mary L. Tlucek

Dear Ms. Dunn:

The Department of Water Resources acknowledges receipt of the Assignment of Permit referenced above. After reviewing the information received, it appears that the intent is to add Northwest Farm Credit Services PCA (of Nampa), to these water rights as a Security Interest Holder.

In order to complete this process, we will need the enclosed Notice of Security Interest form completed and returned to our office with the proper documentation and filing fee of \$50. I have partially completed the enclosed form. Please review, sign and return it in the envelope provided. I believe you were recently sent a letter in this regard, from Emalee Rushing, who works at our main office. By completing this information I have enclosed – it will take care of the information she was requesting also; therefore you won't need to submit it to her as well.

We will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage www.idwr.idaho.gov on the Internet to obtain the proper forms and instructions.

Thank you in advance for your patience and cooperation. If you have any questions regarding this matter, please call me at the number listed above.

Sincerely,
