RE: Change of Ownership Water Right No: 63-7256, 63-7257 & 63-7259

Dear Interested Party,

The Department of Water Resources acknowledges the recently received a request for the above mentioned water rights. The letter that accompanied the request and fees stated the reason for the request was the death of Marlene J McCoy.

As per Department policy, adding or removing a name is considered an ownership change and requires a fee. The exception is the death of a spouse or other current owner. The Department will accept a signed letter from the living spouse and a copy of the death certificate as sufficient evidence to remove the name of the deceased individual from the water right. Removal of the name of a deceased spouse does not require a filing fee.

As soon as the Department receives a signed letter and copy of the death certificate, we will refund the \$75 that was submitted with this request. If you have any questions, please contact this office at 208-334-2190.

Sincerely,

A handwritten signature in black ink that reads "Jean Hersley". The signature is fluid and cursive, with the first name "Jean" being more prominent than the last name "Hersley".
