DEPARTMENT OF
WATER RESOURCESSubject: Transfer Withdrawal Request, Notice of Change in Water Right Ownership, Two
Water Supply Bank Applications

Dear Western,

*processed separately from
w.b. App's - JZ 9/26/07*Enclosed on behalf of Blackrock, LLC, are a Transfer Withdrawal Request, Notice of Change in
Water Right Ownership, and two Water Supply Bank Applications.

Attached to the Notice of Change in Water Right Ownership are special warranty deeds that were recently drafted and recorded since the Department does not accept a quitclaim deed, which is also attached for information purposes. The water rights appurtenant to the subject property are in the name of D J McKay, now deceased. The special warranty deeds and ownership change document were signed by Patricia Hambelton, daughter of D J McKay. D J's last will and testament was included authorizing Patricia's signature.

Dan Nelson is processing the transfer application that Blackrock, LLC seeks to withdraw and should be routed the withdrawal request.

Please let me know if there are any questions.

Sincerely,

Lori Graves
Water Rights Specialist
