**RE: APPLICATION TO LEASE WATER RIGHT NOS. 63-32650 and 63-32916 TO THE
WATER SUPPLY BANK**

Dear Lessor:

The Department of Water Resources ("Department") has completed its review of your application to lease the above-mentioned water right numbers to the Water Supply Bank ("Bank"). The offered water rights are accepted into the Bank in accordance with the attached Water Supply Bank Lease Acceptance. If you do not agree with the conditions of the Lease Acceptance and would like to withdraw your water rights from the Bank, you must contact the Department within thirty (30) days of receipt of this notification.

The rights will automatically be released from the bank on **December 31, 2012**, unless the rights are released earlier by the Board, or upon request by the lessor. To change the term of the lease or to release the rights from the Bank, you must submit a request in writing to the Department prior to the release date.

Additionally, this water right is considered supplemental to canal company water for Nampa Meridian Irrigation District. We will be unable to rent this water right without further information about how much the ground water under this right has been historically used. Please send supporting documentation (i.e. power records, pump records) showing extent of historical use as soon as you can so we can match this right with a potential rental if needed.

Please review the conditions of acceptance listed on the Lease Acceptance and contact me if you have any questions at (208) 287-4907.

Sincerely,

Monica Van Bussum
Sr. Water Resource Agent
