Dear Monica:

Flopet, Inc. currently has two water rights numbers 2-00004 and 2-7287 in the Water Bank. I would like to have the larger right released from the Bank so that we may put it to productive use on the farm across the river from Hammett. Unfortunately, I am unable to distinguish which is which from our records.

Should you have any questions, please contact the undersigned. Thank you for your assistance and acknowledgement.

Sincerely,

Peter H. Flood
