**RE: APPLICATION TO LEASE WATER RIGHT NO. 63-32484 TO THE WATER SUPPLY BANK**

Dear Lessor:

The Department of Water Resources ("Department") has completed its review of your application to lease the above-mentioned water right number to the Water Supply Bank ("Bank"). The offered water right is accepted into the Bank in accordance with the attached Water Supply Bank Lease Acceptance. If you do not agree with the conditions of the Lease Acceptance and would like to withdraw your water right from the Bank, you must contact the Department within thirty (30) days of receipt of this notification.

The right will automatically be released from the bank on **December 31, 2016**, unless the right is released earlier by the Board, or upon request by the lessor. To change the term of the lease or to release the right from the Bank, you must submit a request in writing to the Department prior to the release date.

Additionally, it appears this right is supplemental to water from Settlers Irrigation District. We will be unable to rent this right without further information about historic consumptive use under the right. This can take the form of pump or power records, or some other indication of extent of water use under the right. Please send the needed information along as soon as possible so we can match your right with potential rentals if needed.

Please review the conditions of acceptance listed on the Lease Acceptance and contact me if you have any questions at (208) 287-4907.

Sincerely,

Monica Van Bussum  
Sr. Water Resource Agent
