RE: Water Right Permit No. 65-22669, Alan & Lu Jean Myers

Dear Ms. Johnson:

The Department of Water Resources acknowledges receipt of the Assignment of Permit referenced above. After reviewing the information received, it appears that the intent is to add Northwest Farm Credit Services PCA (of New Plymouth), to this water right as a second Security Interest holder. Northwest Farm Credit Services FLCA (of Ontario) is already listed as a current Security Interest holder on this water right. I have enclosed a computer generated copy of the water right for your reference.

In order to complete this process, we will need the enclosed Notice of Security Interest form completed and returned to our office with the proper documentation and filing fee. I have partially completed the enclosed form. Please review, sign and return it in the envelope provided.

We will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage www.idwr.idaho.gov on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter, please call me at the number listed above.

Sincerely,

Denise Buffington
