Re: Application to Lease A Water Right to the Water Supply Bank and Application to Rent Water from the Water Supply Bank (Reinheimer Trust Water Right Numbers 37-457A and 37-457B)

MTBR&F File No. 16845.0016

Dear Monica:

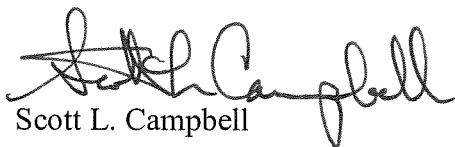

I have enclosed executed originals of the documents identified above. These applications describe the proposal which I discussed with you in person on February 10, 2011. In addition to the maps attached to the applications, I have large scale maps available for filing. I did not include them with this letter because my prior experiences indicate the Idaho Department of Water Resources and the Water Board do not like full size maps in their files. If you would like these materials, please let me know.

I assume that these applications contain all of the information which is required for processing. If you need additional information, please contact me.

I look forward to working with you on this proposal. Hopefully, your review of the applications and the Water Board's consideration of them can be completed in due course.

Thank you for your cooperation.

Very truly yours,

Scott L. Campbell
