Mr. Edgerton,

I have updated the ownership of water right 57-276. I have attached the water right report which shows that Snake River Valley II LLC is the current owner.

I did come across another ownership change that was submitted by DBSI Cobra 370, LLC for water right nos. 57-2041, 57-11572, 57-271, and 57-11573. Water right 57-271 was split with your portion being numbered 57-11777, and water right 57-11573 was split with your portion being numbered 57-11779. The ownership change for water right 57-11573 was not completed as there was an error on the partial decree. The SRBA court did amend the decree, so I completed the ownership change for that right and have also attached a water right report which shows the updated ownership.

If it is appropriate to update the ownership of water right 57-2041, 57-11572, 57-11777, and 57-11779 to Snake River Valley II LLC, please write a letter to the department and make this request. I will change DBSI Cobra 370 LLC to Snake River Valley II LLC based on the name changes that have been filed with the Idaho Secretary of State.

If you have any questions, please call me at 208-287-4952.

Thank you,

Emalee Rushing
