CONDITIONS OF WATER USE

1. The use of water under this agreement shall be subject to the provisions of Idaho Code § 42-1766.
2. The water rented under this agreement is appurtenant to irrigation of 10.0 acres.
3. Rental of the specified right from the bank does not, in itself, confirm the validity of the right or any elements of the water right, or improve the status of the right including the notion of resumption of use. It does not preclude the opportunity for review of the validity of this water right in any other department application process.

**WATER RIGHT NO. 22-221C
WATER SUPPLY BANK RENTAL AGREEMENT**

CONDITIONS OF WATER USE

4. Use of water under this agreement does not constitute a dedication of the water to renter's place of use and upon expiration of this agreement, the points of diversion and place of use of the water shall revert to those authorized under the water right and/or again be available to rent from the bank.
5. This rental does not grant any right-of-way or easement to use the diversion works or conveyance works of another party.
6. Use of water under this agreement shall not prejudice any action of the Department in its consideration of an application for transfer or permit filed by the applicant for this same use.
7. Renter agrees to comply with all applicable state and federal laws while using water under this agreement.
8. Renter agrees to hold the Board, the Director and the state of Idaho harmless from all liability on account of negligent acts of the renter while using water.
9. Renter acknowledges and agrees that the Director may terminate diversion of water if the Director determines there is not a sufficient water supply for the priority of the right or portion thereof being rented.
10. Failure of the renter to comply with the conditions of this agreement is cause for the Director to rescind approval of the rental agreement.
11. Upon Department request, the renter shall provide for the measurement of the water diverted in a manner acceptable to the Director and shall report the amount of water diverted at the end of the irrigation season.
12. Use of water under this agreement will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 1.
13. Water is delivered through Trail Creek Irrigation Co.
14. Place of use is within the area served by Trail Creek Sprinkler Irrigation Co.
15. Rental of rights 22-221C, 22-222A and 22-435A when combined shall not exceed a total annual maximum diversion volume of 442.5 AF.
16. The total pond surface area is limited to 30.3 acres.
17. The beneficial use of Aesthetic Storage and Other will include aesthetic storage, wildlife storage, recreation storage, and fire protection storage.
