Re: Irrigation

The permit has been changed to .5 acres or irrigation because the applicant is not using the water for in-house use. They state "We have a seasonal cabin on the McKim (on Lot 17, Salmon River-Country Estates Subdivision, Lemhi County, for which the applicant drilled a domestic well). We would like to have access to the creek for domestic water use (on lot 12, Salmon River-Country Estates Subdivision, Lemhi County)" for "Irrigation of a small garden."
