RE: Change of Ownership for Water Right      2-10054

Dear Interested Party:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change.

It appears a division of the water right is required as the deed you submitted only intersects with the portion of the water right located in Section 25, Township 1N, Range 2W. If you have another deed which covers the irrigated acres in Sections 29 and 30, send a copy of that deed and we will complete the ownership change.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. If a division of the water right is required, submit an additional \$75, and we will complete the ownership change.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact the Department if you have any questions.

Sincerely,

Emalee Rushing  
Office Services Supervisor
