**RE: ADDITIONAL INFORMATION REQUEST FOR PROCESSING
APPLICATION TO LEASE A WATER RIGHT TO THE BOARD'S
WATER SUPPLY BANK. WATER RIGHT 36-7112.**

Dear Lessors:

The Department of Water Resources ("department") acknowledges receipt of your Application to Lease Water to the Water Supply Bank ("bank"). A preliminary review of your application has been completed and it has been determined that additional information is required to proceed with processing.

Please provide the following information: 1) proof that this water right has been used within the last five (5) years. Please include watermaster records, pumping power bills, or other evidence to demonstrate that the right has not been lost through abandonment or forfeiture. The application will be returned, unprocessed, if the information requested is not received within thirty (30) days from the date of this letter.

If forfeiture of the right is a concern, a right holder can apply to extend the period to avoid forfeiture of a water right. An Application for Extension of Time to Avoid Forfeiture of a Water Right is enclosed for your convenience. Your right may also be protected from forfeiture based on exceptions or defenses to forfeiture described in Section 42-223, *Idaho Code*.

If you have questions regarding this matter, please feel free to contact me at 287-4943.

Sincerely,

Diana L. Ball
