RE: Change in Ownership Water Right No. 29-2351 & 29-10553

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership**

**** **Additional Fee**-\$100.00 per water right for a change resulting in a split.

Please review the map enclosed showing the place of use of the water rights listed above. According to the deed submitted with your application a split of the both water rights listed above will be required. If you feel you own the entire place of use please provide additional legal documentation indicating your ownership in the entire place of use of the water mentioned above. If you believe a division should occur please provide additional fees in order for the department to complete the split. The department acknowledges receipt of \$50.00 under receipt number E036129, however if a split is required an additional \$150.00 will be required.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

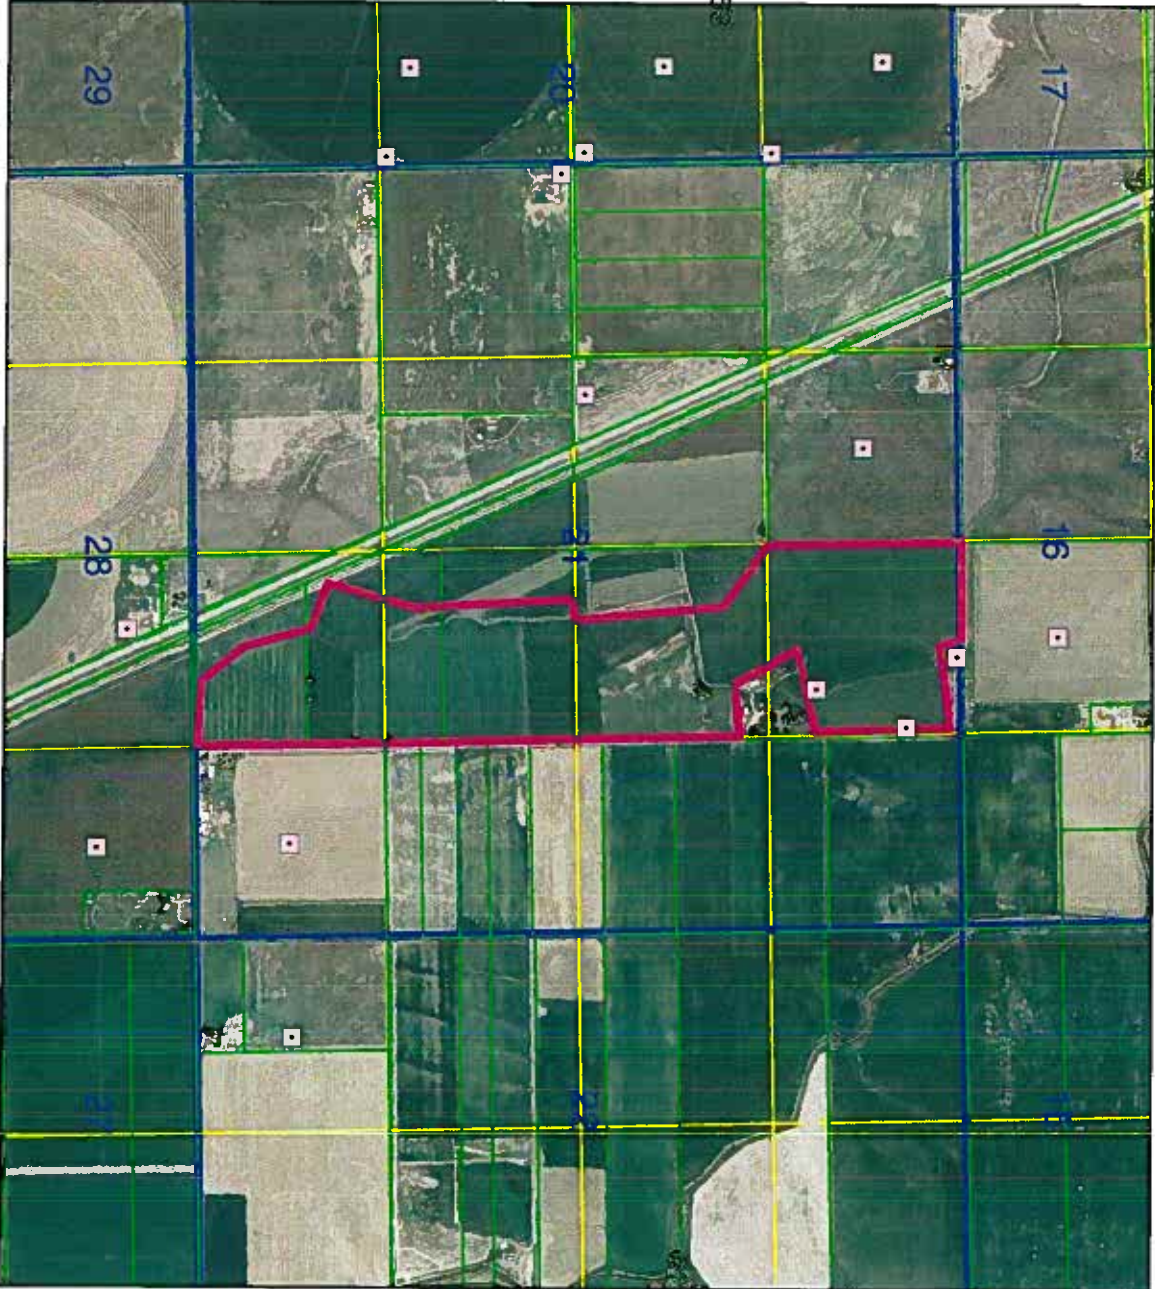

Jonie Barg
Technical Records Specialist
