

Idaho Department of Water Resources

MEMORANDUM

Date: March 29, 2011

File: Transfer 77131 – Perry Ward

Subject: ESPA Analysis

Transfer 77131 is changing ground water PODs and the POU which lies within the ESPA. The “from” POD is located in Row 67, Column 131 and the “to” POD is in Row 75, Column 125. Data was entered into the ground water model to determine if any reach would be injured. The results of the model fall within the exception of the Transfer Memo 24. No mitigation required for this transfer.
